Subject: CT Replacement Like Facility Docket 2021-93-E

David:

DESC asked me to email you and the parties to let you know that DESC intends to file a formal response in opposition to the joint motion filed by the Sierra Club, South Carolina Coastal Conservation League, the Southern Alliance for Clean Energy, and the Carolinas Clean Energy Business Association on October 12th and requests the standard ten day period in which to do so. DESC is prepared to file its pre-filed direct testimony on Monday and does **not** seek any extension or suspension of that due date as a result of the motion.

Please let me know if you have any questions.

We will file this email in the docket as required.
